

EAST SUSSEX NUT LEARNING MATTERS

"Teachers' Love Learning"

Dear East Sussex NUT members

Owing to technical issues, I have been unable to put together a full Learning matters newsletter for the start of this year.

Instead you will find presented below the details of both local and national NUT courses provided for members at either no cost, or very low cost. Travel costs are often provided, so this needs to be emphasised to your CPD coordinator as you can guarantee top quality CPD at very little expense to your school.

A good number of these courses take place at the magnificent NUT National training centre at Stoke Rochford Hall, Near Grantham (Just 1 hour from King's Cross).

They have been organised in chronological order, with an indication of the intended target participants.

Please contact either myself Paul Bishop: bish250@hotmail.co.uk or Lewes, Eastbourne and Wealden ULR: Angie Travis: angiejeanne2@googlemail.com, if you would like any assistance.

The links will take you on to the NUT website for more details:

Many thanks

Paul Bishop (East Sussex NUT Union Learning Representative)
